

## ***Planning for Redmond's Future***

**Monday, October 21, 2002**

Old Redmond Schoolhouse Community Center – 7 pm to 9 pm

### **Workshop Agenda**

---

**1) Welcome and Introduction - Mayor Ives (7:00 pm)**

**2) Overview of Draft 2022 Growth Strategies – Staff (7:10 pm)**

- a) *Background*
- b) *Summary of draft alternatives*
- c) *Next steps*
- d) *Questions and clarifications?*

**3) Group Discussion of Potential Redmond Futures (7:40 pm)**

- a) *Introductions – what do you value most about Redmond?*
- b) *Questions and clarifications*
- c) *How well does each draft alternative support community's future vision?*
  - *Environment*: *Trees and open space define Redmond's appearance; environment protected*
  - *Downtown*: *lively and walkable; stores, housing, jobs, and recreation*
  - *Overlake technology center*: *can work and live; includes a park or theater*
  - *Jobs*: *pay at least a "family-wage" and there's a healthy economy*
  - *Residential neighborhoods*: *quiet and safe; character retained*
  - *Housing*: *people of various family sizes, ages and incomes can live here*
  - *Parks and other services*: *meet needs and contribute to high quality of life*
  - *Transportation*: *meets needs, provides real alternatives to driving alone*

*Group discussion of pros/cons for most important 2 to 4 qualities.*

**4) What's Your Preferred Future? (8:45 pm - voting wall)**

**5) Wrap-up and next steps – Mayor Ives (8:55 pm)**

Miss the first presentation? Contact a staff person if you would like a second presentation at 8 pm.
